New Meat Market

Franc KING has opened a Meat Market on South Chestnut street in Hays.

This institution is NOT a BUTCHER-SHOP. It is purely a Meat Market, where nothing is done save the carving of the carcass and its sale to the people.

It is the most sanitary, clean, up-to-date Meat Market in Western Kansas.

We invite the public AT ALL TIMES to inspect our market thoroughly. Yours for Cleanliness

The 'Big 3' Regents this week announced the appointment of Dr. F. O. Cotton as the President of the Manual Training State Normal School at Pittsburg, that being now an independent state school. He is now President of the State Normal school of Wisconsin and for 6 years assistant State Supt. and elected 3 times, six years, state Superintendent of Indiana, so the Board have evidently given that School the best they could find. Next comes the Hays State Normal

We have told you all along the new State administration proposed to do all possible to build up the Hays State Normal, get more outside students to attend and when we have more students which means more buildings, and that means more business to our city.

This week A Bulletin about our Summer Term was sent to every teacher in the 30 counties tributary to this school (over 3000 teachers) asking them to come to the Western Kansas State Normal the 5 weeks after their County Institute closes. If their Institute don't begin until August to come now until that time. If their school don't begin until October then come for the Sept. month of the new term.

Let our Faculty and citizens remember Mrs. Regent Lewis, in her address said they were to help. If these students come they must be looked after and roomed so our citizens must room them. If you can help notify some of the Faculty.

The next Bulletin goes out in July to every teacher, High school student and Common school graduate in the 30 counties telling of the Fall term.

We have received for the ladies another case of that lovely Vanishing Cream for pimples at the south side new Barber shop. Come try it.

He does not use the knife

The doctor is considered by many former patients among America's leading stomach and nerve specialists and is an expert in the treatment of chronic diseases and so great and wonderful have been his results that in many cases it is hard indeed to find the dividing line between skill and miracle.

He treats diseases of the Stomach, Intestines, Liver, Blood, Skin, Nerves, Heart, Spleen, Kidneys & Bladder, Sexual Diseases, diseases of women, Rheumatism, Sciatica, Diabetes, Dropsy, Bed wetting, Leg Ulcers, Weak lungs and those afflicted with long standing, deep seated chronic diseases that have baffled the skill of the family physician, should not fail to call.
